pulse7 quickstart guide

Jump to it using your access card

Before you charge

1 Make sure the unit is safe to use

To start charging

1 Place your access card or key fob on the reader; or open the bp pulse app.

2 When the card is recognised, you'll see a green tick on screen.

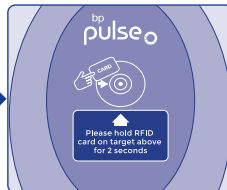

3 Connect your cable to your EV.

4 The unit will then lock and the lights will change from blue to green.

To finish charging

1 Place your access card or key fob on the reader.

2 The unit will end the charging session.

3 Remove the cable.
